STAFF

Camp will be organized and run by a certified teacher holding a Master's Degree in Curriculum and Instruction and a B.S. in Special Education and Elementary Education. A teacher's assistant will assist with our classroom needs. A licensed pediatric occupational therapy professional will also run activities on a weekly basis and assist with the setup of sensory programs to address the group dynamics and individual needs of each child.

* Therapeutic programs or accommodations from your child's therapist can be easily incorporated (i.e.– Therapeutic Listening, a sensory diet, oral motor exercises, etc...).

YOUR CHILD WILL LEARN TO

- Develop large and small muscle skills as well as developmentally appropriate self-help skills
- Gain and practice academic skills taught in a brain-based, creative and multi-sensory format
- Attend, follow directions, transition and follow a routine in a safe, structured and supportive environment
- Communicate and play cooperatively with peers
- Use language appropriately to make his or her needs known

PURPOSE

The goal of this camp is to make your child better prepared to enter a kindergarten classroom or be better prepared for the upcoming challenges of first or second grade. Our program is designed to improve the academic, sensory, motor, and social development of each child through sensory-rich exploratory learning opportunities. Our academic readiness activities and games will engage your child's body and brain with lots of movement and summer fun!

Academic Readiness Camp!
(register by March 31 for a \$50 discount)
June 14th – July 29th (6 weeks)
9:00 a.m.–12:00 p.m. Monday–Thursday
(no camp the week of July 5th–July 8)

CAMP LOCATION

295 Waymont Court
Lake Mary, FL 32746
